RE: Automated License Plate Recognition (ALPR)

Sent via E-Mail to kevin.aslanian@ccwro.org

Dear Mr. Aslanian:

Thank you for communicating your concerns about the use of data from the Automated License Plate Recognition (ALPR) by the Department of Human Assistance (DHA) Program Integrity Division.

Although use of this data is legal and legitimate, we have terminated access to the data by our investigative staff effective November 1, 2018. Access to the ALPR system by DHA will cease with the termination of the contract in May of 2019. We reserve the right to resume use of this data, but will not do so without first letting you know. In order to complete the required usage audits, the Chief Criminal Investigator will continue to have access through the end of the contract.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Ann Edwards".

Ann Edwards
Director
Department of Human Assistance
